Allan Hancock College provides professionally trained and experienced counselors qualified to counsel and to teach at the community college level. The comprehensive program of services includes academic counseling, career counseling, and personal counseling and is designed to:

1. assist students in the assessment, evaluation, and selection of educational goals and the development of a student educational plan (SEP) to implement immediate and long-range academic goals;

2. coordinate with the counseling aspects of other services to students which exist on campus, including but not limited to those services provided in programs for students with special needs, skills testing programs, financial assistance programs, and job placement services;

3. provide career counseling in which students assess their own aptitudes, abilities, and interests, obtain current and future employment trend information, and develop career and vocational decision-making skills;

4. provide personal counseling in which the student is assisted with personal, family, or other social concerns, when that assistance is related to the student’s education;

5. assist students to identify potential barriers to academic success and to develop strategies to overcome those barriers;

6. serve as a referral agency to services within the college and the community at large;

7. identify students on academic and progress probation and assist them in developing a plan for improvement in their academic performance.

Counseling services are available to all Allan Hancock College students on an appointment or walk-in basis, by phone, at any of the District’s college education centers and/or facilities.
In addition, counselors provide a variety of services to assist potential, new, and continuing students with their educational planning. These include visiting high schools in the district, coordinating trips to the college by high school students and their counselors, and counseling prior to each semester in order to assist students in selecting appropriate courses in accordance with their stated educational and vocational objectives. Counselors also assist students planning to transfer to four-year colleges or universities by helping them select appropriate courses for their chosen majors, and by counseling them in making the transition from Allan Hancock College to the four-year schools.
