AP 5610 VOTER REGISTRATION

The District makes a good faith effort to provide voter registration materials and forms to each student enrolled in a degree or certificate program and physically in attendance at the institution.

Forms are widely available to students throughout both institutions through links on each college’s website and League of Women Voters-provided voter registration information on the campus.

The District operates an automated class registration system that provides a link to allow students to coordinate with the Secretary of State during the class registration process to receive voter information.

The Chief Admissions and Records Officer is to be contacted by the Secretary of State for communication pertaining to the distribution of voter registration information.
